

# QUEEN OF HEARTS AWARD

## ***Giving Back***

All Little Miss & Pre Teen contestants have the opportunity to win the 2025 titles of Queen of Hearts, but are not required to participate.

This optional addition to our pageant allows the girls to become active members of the community and help others in need. Contestants will be collecting money to donate to the Marion County Public Library System Foundation, Inc. There will be a Queen of Hearts awarded in each age division. The contestant that collects the most money will win the title of Queen of Hearts! Ask your friends, family and even businesses if they want to help!
